

Inspection Dashboard for Governors

LEAD | CHALLENGE | IMPROVE

The workshop is facilitated by Giles Osborne who is currently a Lead Academy Improvement Partner, Chair of Governors, and an ex Executive Headteacher of an all-through school. He has worked in a range of good and outstanding schools and was formerly an advisor to Kent LEA and a Senior University Lecturer at Brighton, Cambridge and Canterbury Christ Church. He is a national trainer for ASP and is currently supporting academy chains on preparation for Ofsted and data strategy, as well as working with a range of alternative provisions. He is also the co-creator of 'TEAM', the National Database for SEMH schools and PRUs, and a national bench marking tool and progress model.

This workshop aims to:

- show governors what they need to focus on and what they need to know in order to hold their school to account
- help governors to support and challenge the leadership team
- show how strengths and weaknesses are highlighted and provide guidance on to how to use the Inspection Dashboard effectively
- Use data from your own school in the previous academic year

Other online workshops, as well as the Professional Clerks Development Programme and Safer Recruitment workshops, are also available.
