

Joining or Forming a Multi-Academy Trust

LEAD | CHALLENGE | IMPROVE

Designated by the National College of Teaching and Learning, the Leicester Teaching School is pleased to be able to offer this exciting opportunity for Governors to work together on improving the quality of Governance in our schools, thereby improving the life chances of our young people.

This workshop is suitable for governors/directors/trustees and senior leaders from maintained schools and single academy trusts. The workshop provides insight and information on the options, opportunities and process around joining or forming a multi-academy trust (MAT) and what governing bodies should consider in making a decision.

At the end of the workshop, delegates will understand:

- Government policy and where MATs fit within it
- How MATs are structured, including governance
- Characteristics of effective MATs
- What options schools/academies have
- How to go about joining or forming a MAT
- How others have successfully navigated the journey

Other workshops for governors are available covering Financial Efficiencies, the Inspection Dashboard, Governing Body Panels, Safeguarding and Disadvantaged Pupils.

Safer Recruitment training and a Development Programme for Clerks are also available, please contact us for further information.
