

Outstanding Leadership in Education

An Introduction to Effective Leadership

Outstanding Leadership in Education (OLE) is a bespoke coaching-based programme written by the author of the internationally acclaimed suite of programmes that make up the OLEVI Teaching & Learning, Leadership and Coaching Syllabus. These programmes have produced a dramatic improvement in schools where they are in action.

OLE gives delegates the opportunity to explore their own leadership style and build upon their generic skills towards effective leadership.

Who is the programme for?

The programme is suitable for leaders at many different levels, including middle leaders and senior leaders, but would be especially beneficial for leaders new in role.

The programme will enhance personal leadership through:

- the creation of a Professional Audit
- analysing professional skills to help develop a Personal Action Plan
- building on generic skills towards effective leadership, both at team and class level
- opportunity to access a mentor/coach within their own school, to move their leadership forward.

The following Professional Skills will be covered and will allow delegates to set personal targets in the following areas:

- Vision & Strategic Planning
- Effective Communication
- Integrity
- Enthusiasm & Optimism
- Empathy
- Competence in Role
- Delegation
- Managing Pressure
- Team Building
- Problem Solving & Decision Making
