

Safeguarding for Governors

LEAD | CHALLENGE | IMPROVE

The Leicester Teaching School is committed to creating opportunities for Governors to work together on improving the quality of Governance in our schools, thereby improving the life chances of our young people.

This two hour course will give all governors an insight into the key responsibilities that they have for safeguarding children.

The workshop aims to:

- increase awareness of the background to current safeguarding policies
- heighten commitment to the significance of effective safeguarding of children.
- support governors in their duty to monitor and evaluate their school's safeguarding policies and procedures.

The workshop is very important to all governing bodies and, due to the nature of the content, governors are encouraged to attend in pairs and to set aside time for reflection and action.

Other workshops for governors are available covering Financial Efficiencies, the Inspection Dashboard, Governing Body Panels, Disadvantaged Pupils and Forming or Joining a MAT

The Clerks' Development Programme and a Safer Recruitment workshop are also available, please contact us for further information.

To book your place, visit our online booking system or call 0116 266 3730 (option 5) for further information
