

History EBacc Network

ENGAGE | CHALLENGE | INSPIRE

The Leicester Teaching School Alliance is pleased to be able to offer this exciting opportunity for Teachers, History Subject Leaders and Curriculum Leaders to come along to share best practice and learn more about the resources and opportunities on offer for History.

The Leicester History Network is a friendly, experienced and passionate group of History teachers and Subject Leads from across the City and County, committed to working together and sharing ideas and good practice for the benefit of all students in the region. We meet regularly to share resources, debate, challenge and collaborate. Recent topics have included 'Promoting diversity in the Curriculum, Historical interpretations and Teaching the new GCSE.' Facilitated by Ashley Bartlett, we welcome colleagues from both primary and secondary schools and are always keen to hear your suggestions moving forward.
