

# Secondary NQT & RQT Teaching & Learning Programme

ENGAGE | CHALLENGE | INSPIRE

*A fully quality assured programme, the highly-effective NQT & RQT Teaching & Learning Programme equips newly qualified and recently qualified teachers with the skills and strategies to help them reach the next level of professional practice. Programme delegates improve their craft of teaching by attending facilitated sessions, working face-to-face with students, observing colleagues at first-hand, engaging in group discussion and debate, self-assessing and accessing effective coaching.*

*In addition, coaches will receive clarification of their role in supporting the delegates, and guidance on the structure of the programme, including in-school practice expectations for the weeks between the face-to-face sessions.*

*Coaches will also attend the final Celebration / TeachMeet event.*

*\*Places for SCITT graduates from the Leicestershire Secondary SCITT will be funded by the SCITT. Limited places available on first come, first served basis.*
