

National Award for SEN Coordination (NASENCO)

Leicester-based NASENCO programme, delivered in partnership with Leicester Teaching School

Best Practice Network (BPN) is a provider of the National Award for Special Educational Needs Coordination. We are a long established provider supporting over 100 SENCOs each year to gain this award. In Autumn 2019 we are delighted to be running the programme in Leicester with **Leicester Teaching School**.

BPN's NASENCO programme incorporates the award of a Postgraduate Certificate in SEN Coordination, validated by Bath Spa University (BSU) as part of their Professional Master's Programme, worth the first 60 credits towards a Master's (MA) degree.
