

# Outstanding Teacher Programme

ENGAGE | CHALLENGE | INSPIRE

This nationally recognised, fully quality assured programme, equips delegates with a range of best practice techniques in teaching and learning. It focuses on a wide range of areas including questioning, assessment and differentiation, with opportunities to develop and share best practice with colleagues and to apply techniques in school. The programme is facilitated by fully qualified trainers including our own in house Specialist Leaders of Education.

*\* Olevi recommended that three teachers from each school attend together as the programme is modelled around "learning threes". This is due to the collaborative nature of the programme and greatly aids the successful completion of the required post-session challenges. The third delegate will be charged at £450.*
