

Power of Coaching

ENGAGE | CHALLENGE | INSPIRE

The 'Power of Coaching' is designed to enhance the leadership of teaching and learning through promoting effective coaching.

It will introduce and deepen delegate's knowledge and application of coaching within education and is packed with practical activities, tools and techniques that can be utilised within school.

The programme:

- is a key part of the Olevi portfolio of school-to-school support, which is helping to increase capacity and drive up standards in school
- helps schools to work more effectively as a whole school team and improves collaboration with other schools and organisations
- provides opportunities for delegates to engage in a range of activities and access theories behind effective coaching practices
- exemplifies how to implement coaching in a range of professional contexts from the classroom to the training room
- enables delegates to select their own coaching model to articulate to others
- links coaching to outstanding practice and how to achieve outstanding learning

Delegates will be:

- able to facilitate coaching within the classroom and with colleagues
- able to link coaching to outstanding practice and achieve outstanding learning
- more reflective in their understanding and application of DR ICE[®] and coaching across the school
